Board of Trustees Meeting

Regular Meeting – January 25, 2007

Item 10 Change May 2007 Board Meeting Date

Institutional Focal Points/Goals

V-B

Background

Due to the acceptance of the Budget Development Calendar, the administration has determined that the Board's regular May meeting should be held on Tuesday, May 15, 2007. That would allow 30 days for public inspection of the tentative budget prior to the regular board meeting on June 28, 2007, at which the final budget will be presented for approval.

Recommended Action

The administration recommends that the Board of Trustees reschedule their regular meeting for May 2007 to Tuesday, May 15, 2007.
