Re: Carl Sandburg College Closed Circuit Television Monitoring System

Dear Mr. Byrne:

Having reviewed all bids for the Closed Circuit Television system project, we are prepared to recommend acceptance of the bid offered by D.M. Mattson, Inc. Our recommendation is to accept the base bid price of \$85,392.00, as well as alternates one through four listed as \$5,416.00, \$10,610.00, \$16,561.00, \$11,909.00 respectively for a total project cost of \$129,888.00. This total price falls within the project budget of \$183,752.00 which included a 5% construction contingency.

In addition to reviewing the submitted bid, we asked that D.M. Mattson provide a bill of materials. Our initial review of this list found all necessary components to be included.

We have attached the bid tabulation for all bids received for this project.
