Dear President Schmidt:

The Carl Sandburg College Foundation seeks approval from the CSC Board of Trustees for an exemption from the College alcohol policy.

The Foundation wishes to host a fundraising dinner in the Crist Student Center on Friday evening, October 26, 2007. Proceeds from the dinner event will be used to establish a Friends of Education Endowment. The evening will feature authentic Indian cuisine and live entertainment provided by our CSC theatre department. The individual ticket price will include hors d'oeuvres, a buffet dinner, and wine (only) served during the meal. The dinner will be an invitation only event for current and prospective Foundation donors and friends.

The Foundation Board of Directors recognizes the need for continued donor cultivation and identification of new donors. This fundraising dinner will assist in our overall development efforts and will result in new scholarship opportunities for our students.

On behalf of the Foundation Board of Directors, I thank you for your consideration of this request.

Sincerely,

Gena M. Alcorn
Director
