Focal Points and Goals

A-1 & 2, B-2

Background

The recommendation to add Men's and Women's Intercollegiate Soccer Teams was recently approved by the Student Service Committee, Faculty Council, and Faculty Assembly.

These additions will include the awarding of 11 talent grants per team. The College will continue the commitment to recruit local talent from within our district and athletic conference.

Soccer is a growing youth sport in our district. Carl Sandburg College looks forward to providing the opportunity for student athletes to continue their participation at the College level.

Recommended Action

The Administration recommends the Board of Trustees approve the addition of Men's and Women's Soccer with 11 talent grants per team, effective for the fall 2008 season. This action will update the Regulation on Talent Grants, Number – 3.17.1.
